

Statement of Limited Warranty for Supplies

Lexmark International Technology SA gives you the following limited warranty for Supplies Products only if they were originally purchased by you for use, not resale, from Lexmark, a Lexmark authorized reseller of supplies or any other reseller who purchased such product from a Lexmark Authorized Wholesaler of Supplies (original purchase). This manufacturer's guarantee is in addition to any legal warranty provided by law.

The warranty period for each product is shown in the section that follows, entitled "Products Covered by the Lexmark Limited Warranty," and starts on the date of original purchase (or date of installation for 3812 and 3816 Page Printer developer, fuser and photoconductor units) as shown on the receipt which establishes original purchase.

Lexmark warrants that on the date of original purchase this product will be free from defects in material or workmanship. If, during the warranty period, this product is found to be defective in material or workmanship, it will be exchanged, or repaired at Lexmark's option, with no additional charge. Warranty service does not include repair, or exchange when the problem results from accident, disaster, misuse, abuse, non-Lexmark modification (including refilling or remanufacturing), improper storage, malfunctioning equipment or normal wear and tear. Character or page yield is also not covered by warranty service, as it is influenced by customer application, printer contrast settings, operating environment, printer condition and paper type.

To obtain warranty service you must, during the Warranty Period, return the Product, along with the proof of original purchase, to the place of original purchase. If it was purchased directly from Lexmark, you must return it to Lexmark to obtain warranty service. You must insure it or bear the risk of loss or damage in transit, prepay the shipping charges, and use the original shipping container or equivalent.

Product supplied to you on an exchange basis under warranty service becomes your property at the time of exchange. At the same time, product returned becomes the property of Lexmark when it is received by Lexmark

All express and implied warranties for this product, including the implied warranties of merchantability and fitness for a particular purpose, are limited in duration to the warranty period, and no warranties, whether express or implied, will apply after this period.

Limitation of Remedies

Your sole remedy under this Statement of Limited Warranty shall be Lexmark's performance of warranty service. For any claim concerning performance or nonperformance by Lexmark under this statement, or for any other claim related to this product, you shall be entitled to recover actual damages up to the limits indicated in the following paragraph.

Lexmark's liability for damages to you for any cause whatsoever, arising out of this Statement of Limited Warranty, or for any other claim related to this product, shall be limited to the amount that you paid for this product at the time of original purchase. This limitation of liability will not apply to claims for personal injury or damage to real property or tangible personal property caused by Lexmark's negligence.
